Brethren, Fidalgo Lodge #77 along with the Old Skagit Gun Club will be sponsoring their spring turkey shoot to support Meals-On-Wheels on Saturday April 8th. There are three ways to participate:

1. Get that shot gun out and come on over. For thirty (\$30.00) you get to shoot six rounds of trap. Whether you win or lose you get your choice of meat product (ham, pork roast, bacon, Etc.) 12 gage or smaller, 7 ½ shot or smaller. Shells are available for purchase at the club.
2. If you are not a shooter and want to “bring home the bacon” (see above selection) then you can purchase a target card for \$21.00. See me at your lodge’s stated communication this month or at the shoot on April 8th.
3. If you feel lucky you can get you name on a slot on a target card for \$1.00 per slot. See me at your lodge’s stated communication this month or at the shoot on April 8th. At the shoot when all the slots on the target cards are full they take the target down range and fire one shell at it and the name with the most holes wins.

Time: Saturday April 8th at 10:00 AM. We are usually finished by 2:00 PM.
Place: Old Skagit Gun Club located on Josh Wilson Rd. in Burlington. This is on the North side of the Skagit Airport boundary.

Information: There is a noon meal available that is prepared by the Moose Club Ladies. This meal is by donation only with the proceeds going to Meals-On-Wheels. This is a fun event and whether you shoot or not come on out, we need help with scoring and other tasks. It also an enjoyable experience seeing the youth compete and sometimes putting the adults to shame. Over the last few years we have been raising around \$2,000 at each of our shoots and invite you help us increase this amount.

Also at the Spring shoot we have a shoot-off for the District Nine Trophy which is currently held by Fidalgo Lodge. Your Lodge can challenge Fidalgo Lodge for the trophy by fielding a team of five (5) Masons. If one or more teams show up we will have the shoot-off during the lunch break.

I will be visiting the District 9 lodges this month; so if you are interested in participating bring you pocket book to the meeting.
