Monday May 28<sup>th</sup> – Fidalgo #77 Memorial Day/ Vacant Chair ceremony at 11:00 AM in Anacortes. This event is open to the public and was very well attended last year.

VWB Gerald Myers

“Considering the great emphasis on morality and good behavior found in all the Old Charges, and the fact that the Working Tools of the Freemasons were always in their hands, and the Bible in their hearts, and bearing in mind the likelihood that at least some of them may have been familiar with the relevant passages of the Bible having to do with their own art of building and with the tools of the Craft, it would have been extremely strange if the moralizing on the Working Tools did not occasionally find some place in connection with their ceremonies of admission, and passing, if only informally, and, as it were, unofficially, and without specific record in their official documents.”
